DIRECTOR'S WELCOME

Welcome to Study Academy Vienna! Our courses are designed specifically for international students coming to Vienna, to help them excel in the subject areas they choose. With inspirational and experienced IBDP teachers and examiners, we set high standards of learning and focus on the individual improvement of each child. This allows the students to reach their full potential in their academic, creative and personal development.

We take great care of our students and make it our priority to support them in achieving the academic goals they set for themselves.

We are constantly striving to improve the students' individual academic success, and by being immersed in our unique environment the students will experience a wonderful opportunity to improve their learning skills for the demands of their upcoming IB exams. Our inspiring and experienced Faculty tutors, with their creative teaching skills and the friendly atmosphere on campus will ensure that the students build and gain more self confidence in their ongoing effective learning, and make new friends from all over the world.

For us it is a pleasure to see all students develop both academically and personally. This will benefit them regardless of their academic path, and give them many possible choices for their future study.

Mila Alexandrov,
MSc Director & Founder

OUR VISION

- Our aim at Study Academy Vienna is to create a happy, caring and stimulating environment, in which students can reach their full potential and expand their horizons.
- We are fully dedicated to maximizing our students' success by tailoring our approach to the individual needs and requirements of each and every student.
- At Study Academy Vienna, students are shown how to keep up with their syllabuss and tackle the high demands of the IBDP with confidence.

OUR CAMPUS

Unique Seminar Rooms in the beautiful Palace Miller-Aichholz

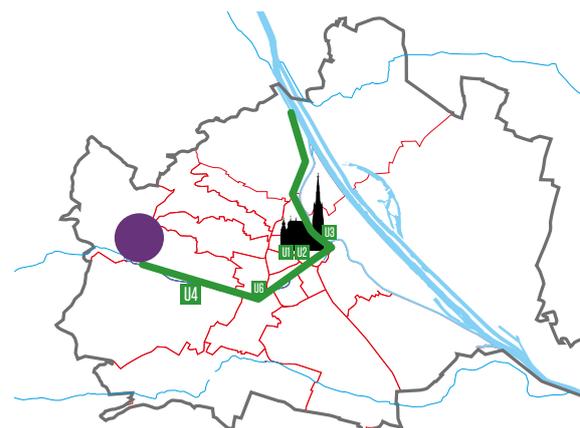

The Study Academy Vienna Campus is unique within Europe, as it is situated in the **picturesque Viennese Palace** Miller-Aichholz, which allows students to revise in breathtaking baroque study rooms, complete with oil paintings, and splendid 17th century furniture. With each of the well-equipped campus rooms and technical facilities, the needs of the students will be met and the accommodations will be more than suitable.

The campus has a **large park with a gazebo** and a beautiful **winter garden**, a football playground and a car park area. The campus itself is unique as it combines **well-equipped seminar rooms**, en-suite sleeping accommodation in a hotel and a restaurant where students will have their meals. All **rooms in the hotel** have Internet access and satellite TV, air condition, small refrigerator, telephone and bathroom including shower/toilet.

Our most beautiful and well-equipped campus is located along the Wien River in a very expansive area called Hütteldorf, which is only about **30 minutes away from the heart of Vienna** (Stephansplatz) by public transportation (underground U4, buses and trams). This area is completely nature protected, filled with different gardens, paths, ponds, and playing areas that provide an enjoyable and friendly environment for the students to relax in. Nowadays, Hütteldorf is called "The green oasis of Vienna", a true paradise for young people to enjoy and appreciate as a large leisure area within the city.

ABOUT US

Study Academy Vienna offers IB Preparation courses **tailored specifically for students of the IBDP** and who wish to consolidate and improve their understanding and knowledge in their chosen subjects.

Our **courses are intensive, academically challenging** and will prepare students to reach their full potential. We provide a demanding work environment which will ensure that students are **ready for studies at university** after completion of the IB Diploma Program.

By using the **official IB criteria to assess students' work** alongside written and oral language practice our courses will fully equip students with the skills to achieve the high goals they set themselves for their **Diploma exams**.

The professional experience of our **highly selected teachers** leading the IB courses will guarantee that students work hard during the course and leave them feeling confident about their future studies.

Our IB Prep courses aim is to **provide the highest educational support and quality** for the IB students, to build their confidence in their studies and to create a **fulfilling working environment**, in which **everyone is treated with care, respect and integrity**.

WHAT IS SO UNIQUE ABOUT STUDY ACADEMY VIENNA?

- **Small class sizes** providing close interaction between students and teachers, allowing individual needs to be addressed and students to be challenged. **Highly experienced, professional and committed IBDP teachers and examiners.**
- **Focused preparation** and **excellent revision** for all IB subjects
- **A wide range of IBDP extension courses** such as Internal Assessment advice, Extended Essay guidance, TOK, CAS, exam skills, personal statement and university counseling.
- Optional **online** and **personal one on one tutoring** for all IB subjects throughout the year with highly experienced teachers. A friendly, caring, yet stimulating, working environment for students to develop both personally and academically.
- Students are given the unique opportunity to **study in one of Vienna's beautiful baroque palaces** and to immerse themselves in the fantastic Viennese surroundings and culture.
- Our courses bring together **students from all over the world** with different backgrounds and cultures, allowing new **international friendships** to be formed and **communication** and **teamwork** skills to be improved. Single or double accommodation in a nice hotel next to the palace, as well as healthy cooked meals on campus and snacks throughout the day.
- **Full-time care team on campus**, attending to any needs the students might have. Optional **after-class sports activities led by professional sports coaches**, as well as cultural excursions into the historic centre of Vienna.
- **Optional 3-day trip** to the charming alpine city of **Salzburg** and the surrounding lakes

WHAT TEACHERS SAY

“

What a lovely experience the Study Academy has given me! I enjoyed spending time with my lovely students and teaching them. And then, exploring Vienna in the evenings. What a joy! What an incredible organization and the warm welcome you have given to anyone and made us feel so special and appreciated!” **Marija D. (London/UK)**
Geography & ESS Teacher

“

Thank you for the great energy provided that makes one feel so welcome and proud to be a part of the teaching team at Study Academy Vienna. You reminded us all the reasons for being an educator!” **Stasa L. (Belgrad/Serbia)**
TOK & History Teacher

“

Lovely ambience and lovely students. Teaching at Study Academy was a real pleasure!” **Hema R. (Stanford/USA)**

HIGHLY EXPERIENCED IB FACULTY TEAM AT STUDY ACADEMY VIENNA

All teachers leading the IB subjects at our Study Academy are coming from **International Schools** and are carefully selected according to their professional experience in the subject they teach. Most of the teachers are **IB Examiners** and some are **IB Chief Examiners** with a minimum 15 years of experience in the IB Diploma. Some have written the IB textbooks for the students. Our IB teachers must be inspirational, innovative, with a sense of humor and must hold a degree of highly respected universities worldwide. There is a friendly, dynamic and trusting bond between teachers and students. At our Study Academy Vienna the students feel well taken care of and **fully supported according to their individual needs.**

ALEX ALEXANDROV: SPORT'S DIRECTOR

Coordinates all the sports activities and the personal trainers leading each activity. Alex holds a Bachelor's degree in sport's education and Master's degree in Sport Science. Alex is not only a certified personal **trainer through ACE** (the American Council of Exercise) but also a professional volleyball coach, kickboxing and national Tae Kwon Do Champion. He holds a **certificate in health and nutritional supplements, sports injuries, sports recovery** and has organized many team-building seminars for young athletes and companies in various countries. Students love the sports program offered at our Study Academy.

PRE IB SUMMER REVISION COURSE

This course is tailored for students who are about to start Grade 11 and consequently begin their first year of the International Baccalaureate. They will attend a 12 day course, during which they will cover the syllabus in up to five of their chosen main subjects and expand their knowledge in additional minor subjects.

THE COURSE WILL TAKE PLACE DURING STUDENTS' SUMMER BREAK.

This course is tailored for students who are about to start G11 and consequently begin their first year of the IB Program. During the course the students will cover the syllabus in up to five of their chosen main subjects and expand their knowledge in additional minor subjects. Through a range of techniques such as studying IB papers and interactive learning, students will be introduced and build their confidence in the subjects they choose.

COURSE STRUCTURE

- Either 15 hours over 3 days or 25 hours over 5 days plus open studio time every day until 10pm
- Baroque rooms located in a beautiful Austrian Palace for the students to do their artwork
- Students may wish to bring their own media, but a range of tools will be provided
- Media provided to complete investigation art workbooks, painting, charcoal, photography, sketching, collage and documentation pieces
- Small group sizes up to a maximum of 3-5 students, where they can create their art work together in a nurturing, friendly and caring environment
- Classes led by experienced IB Visual Art teachers and examiners who will provide individual advice and guidance
- Late afternoon focused visits to varied exhibitions and art museums here in Vienna. Students will enjoy and appreciate the Viennese art culture and the city's architecture and also use these as sources of inspiration for their work
- Weekend with sporting activities and individual private guidance

IB VISUAL ART

This **IB VISUAL ART SUMMER COURSE** is for **PRE** and **MID-IB** students who wish to expand their creative horizons in **IB VISUAL ARTS** and at the same time make new international friends in a relaxing atmosphere.

THE COURSE WILL TAKE PLACE DURING STUDENTS' SUMMER BREAK.

This course will provide the students with the **investigative, analytical, and creative tools** they will need to succeed in the new **IB VISUAL ARTS** curriculum. A strategy for dealing with the demands of this course will be developed through the intensive hands-on approach over the full days of the course.

Students will **develop skills and an understanding of art** along with focused **visits to varied exhibitions** available to us here in Vienna. They will be visiting the renowned art museums of Vienna: the **Kunsthistorisches Museum**, the **Mumok Museum**, the **Museum of Applied Arts** and **Belvedere Palace**. This will immerse them in the thriving creative world of Vienna and enrich their development as young artists.

Vienna is ideal for students, as its **cultural flare stimulates** their awareness and passion for art. They will be inspired to become creative, independent thinkers and engage in their own work of art and personal investigation workbooks. Both are integral to successful achievement in the **IB VISUAL ART Summer Course**.

The Summer Art workshop will also introduce **different techniques in a wide range of media and materials**: use of charcoal, pencils, paint (acrylic, oil, water-colour...), collage, pastels and photography. Students will thus have the opportunity to explore and expand on their own creativity through developmental work in their Art workbooks, and applying this to their artwork in order to further their potential as young artists.

IB MUSIC

IB MUSIC SUMMER COURSE

THE COURSE WILL TAKE PLACE DURING STUDENTS' SUMMER BREAK.

This course offers the **PRE IB** and **MID IB** students the possibility to develop and expand their **music skills in terms of composition, improvisation and performance**. The course is tailored to the student's individual music interests and needs. The latest in software technologies will also be incorporated into course. Vienna is the ideal place to experience the musical diversity, which this course offers. Combining study and visits to famous concert halls will be an unique experience for the students.

THE ADVANTAGES OF PRIVATE TUTORING:

- Develop effective learning skills
- Find strategies to optimize studying
- Most educational value out of the time
- Intensive individual support
- Working out personal academic targets
- Memory improvement basics
- Exam tips, advice and strategies
- Understand how to learn best

PRIVATE AND ONLINE TUTORING

This option is aimed at students about to start their IB courses, as well as students currently enrolled in the programme.

Students may choose as many IB subjects as they wish, including Internal Assessment, Extended Essay, Graphic calculator skills and TOK counseling sessions.

We also offer university and careers advice, as well as assistance for writing personal statements.

The student and the teacher set up a plan together and decide on grade-maximizing strategies. This could, for instance, take the form of two weekly sessions to get the student started, which can then be expanded to further meetings, where students receive feedback from their tutors.

Students send us their preferences for tuition subjects, and we produce a tailored tutoring timetable for them, which the student and the tutor stick to.

WHAT STUDENTS SAY ABOUT SUMMER SCHOOL

“It was amazing. We could not ask for anything more. The teachers and the students were all awesome and we really had a great time. Not only were we stimulated mentally but entertained by means of physical education and excursions to the city. During the day we studied a lot but then we had all the sporting activities and so much fun together in the evenings.”
Ethan & Anna (Austria)

“Study Academy Vienna helped me so much to improve my English and German. When I arrived on Campus, the building environment and the teachers exceeded my expectations. My teachers were so kind, so amazing and with a great sense of humour. These are the qualities I look in a teacher. Thank you Ms. Alex and all the teachers for the amazing two weeks. See you next summer”. **Amilia (USA/Croatia)**

“Study Academy Vienna war ein wunderschönes Erlebnis. Sie bat fantastische Möglichkeiten für uns alle. Die Räumlichkeit sind so gemütlich, die Lehrer sind sehr freundlich. Wenn man einmal die Study Academy mitgemacht hat, wird man mit Sicherheit zurückkehren wollen.”
Alex & Radi (Bulgaria)

SUMMER SCHOOL

Study Academy Vienna is famous for its outstanding IB subjects preparation, facilities and highly professional teachers, but also for the great variety of after school sports and cultural activities. All students write in their feedback how much they loved and enjoyed all the afternoon activities and how much these activities helped the students to focus even more on their study.

As hard as the students will be working, it is important for them to **get out and be active** at the same time. With these activities, we aim to give the students time not only to exercise, but also to bond with their new international friends and enjoy staying with us at the IB Preparation Courses.

Professional trainers will lead sporting activities in the afternoons and the weekends working closely with the students. Sports Instructors will also be present to ensure **safety, security and quality for the students**. They will also be taught the importance of sports physiology and good nutrition, which is an integral element to a healthy lifestyle.

SPORTS ACTIVITIES

EXPERIENCE THE VIENNA CULTURE WITH US

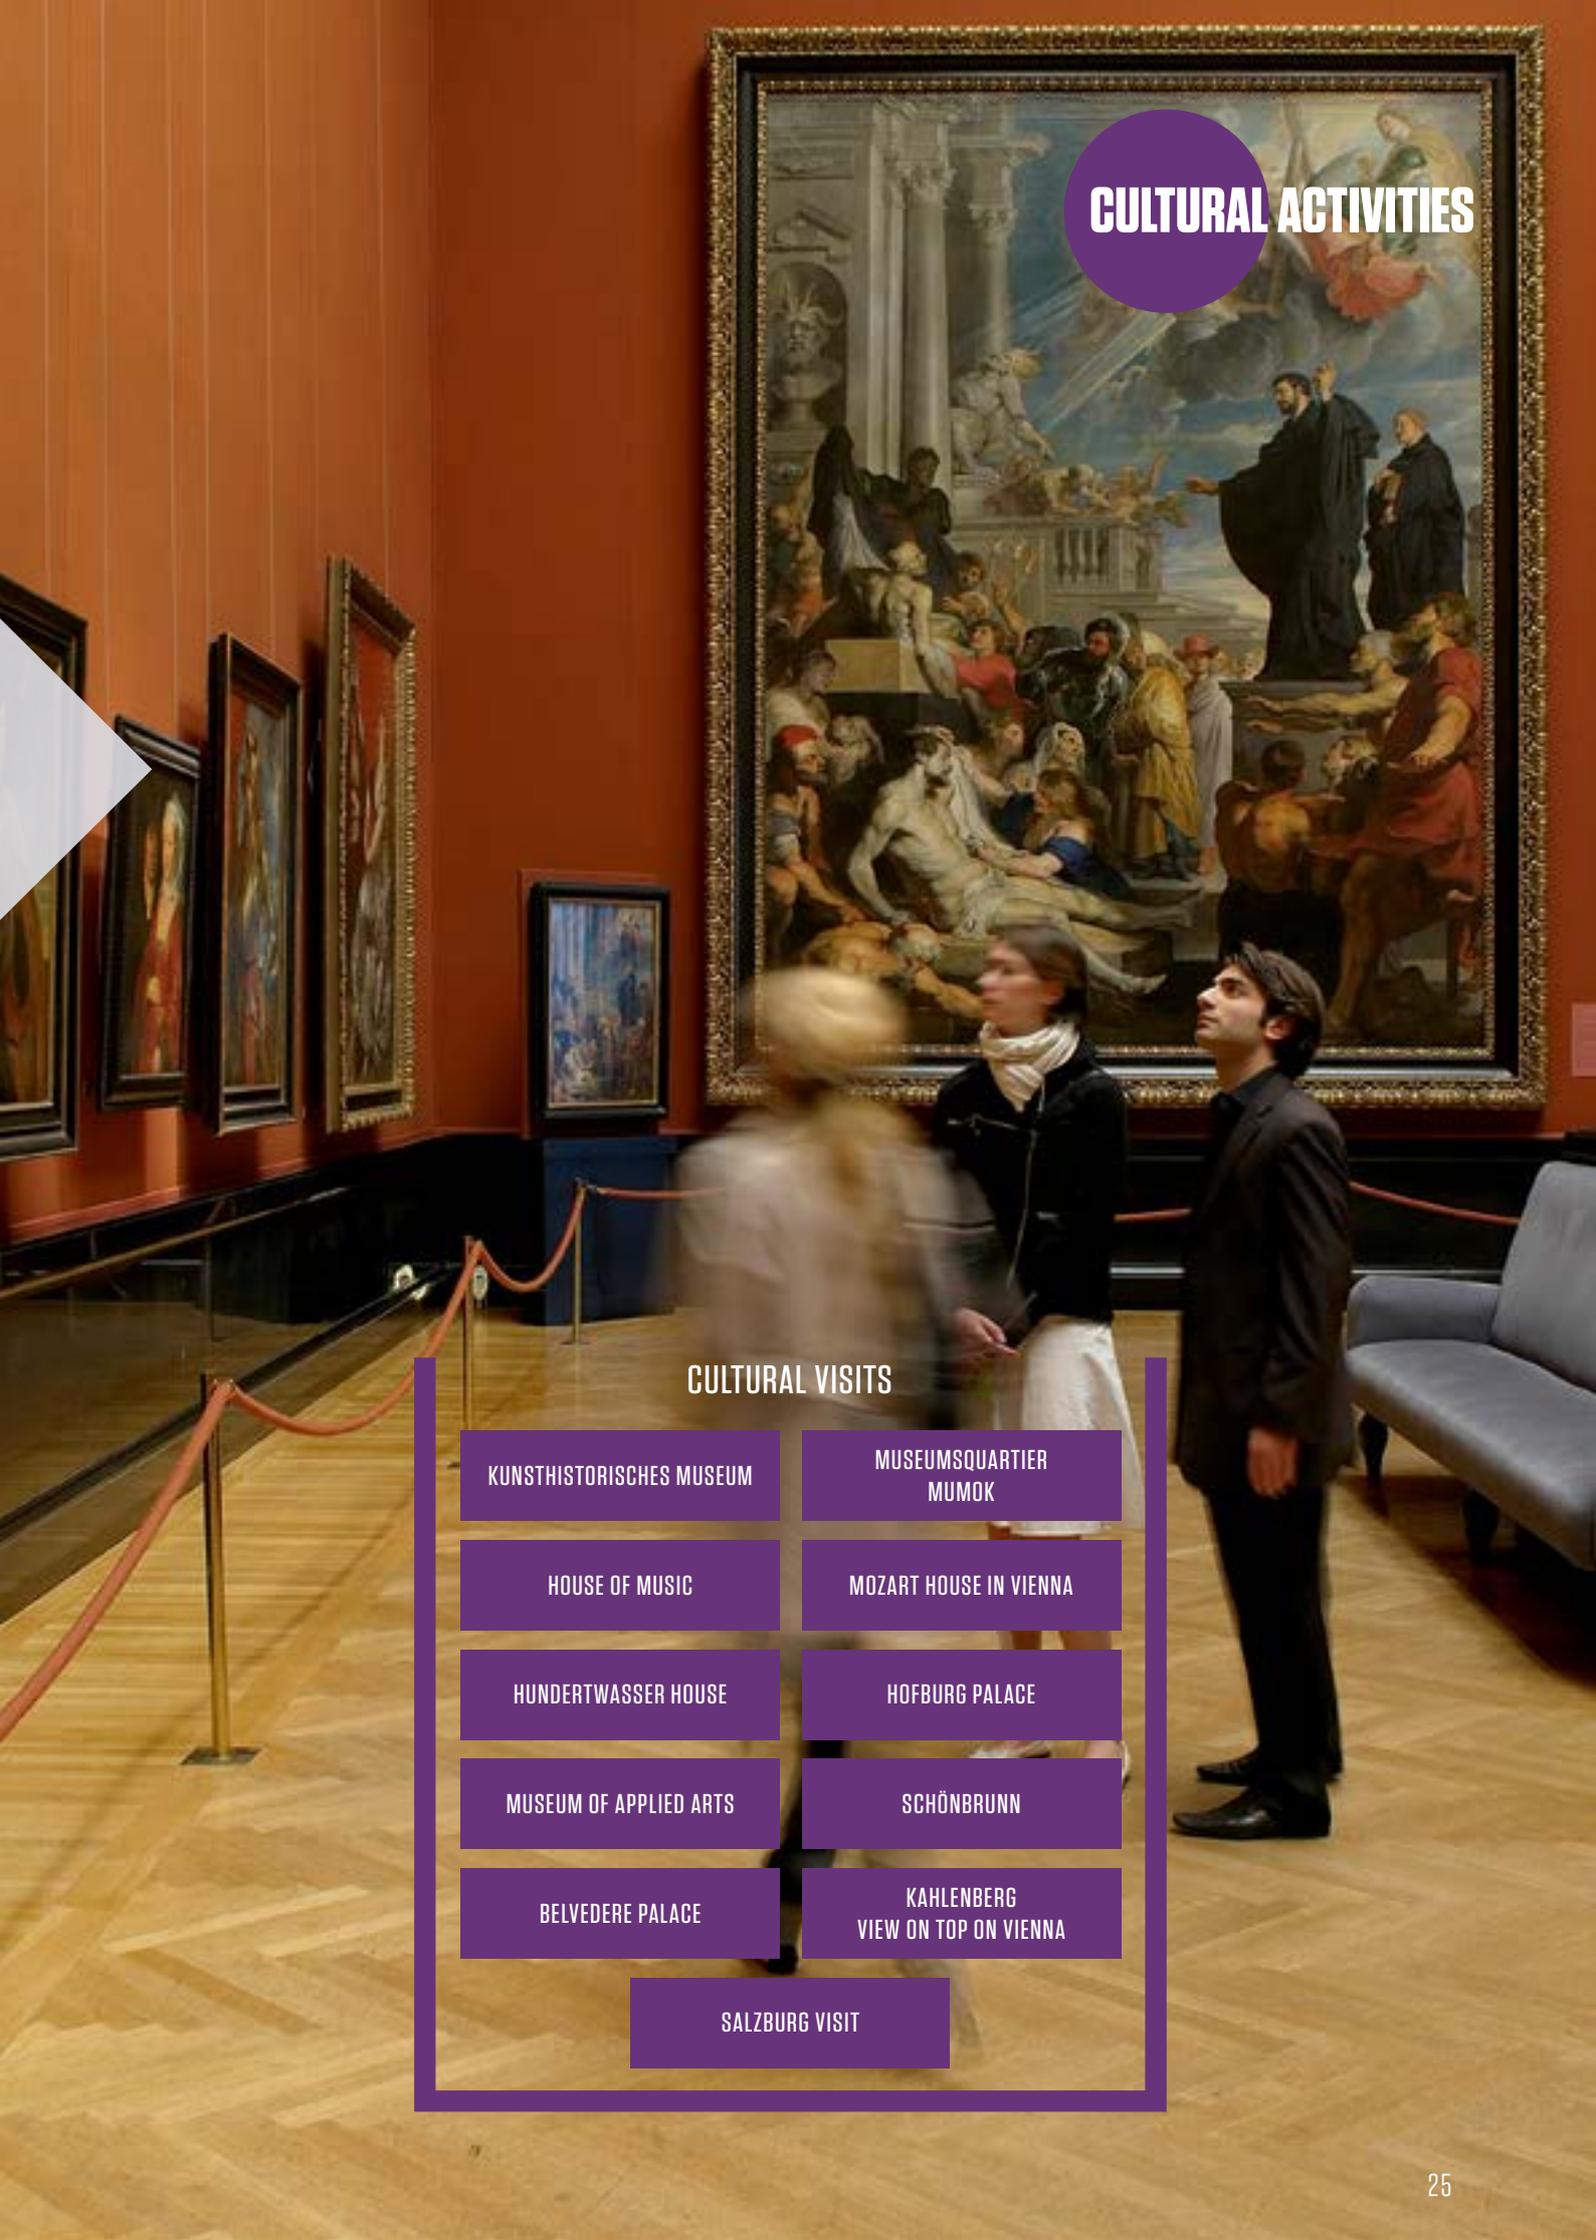

Vienna is one of the biggest and most historic cities in central Europe, offering a range of both cultural and exciting activities. While lively in all four seasons, Vienna comes into its own during the summer; hosting events such as the **Rathaus Film Festival**, which is one of the most tempting places during the summer, where young people come from all over the world to combine culture with international food. Music films from opera to pop guarantee perfect summer evenings. **Museum Quartier**, is another place where young people can spend the evenings enjoying the vibrant atmosphere of renewed exhibition halls, art, museums and outdoor coffee places. **There is no shortage to the fun.** In addition to the many festivals and celebrations, Vienna is renowned as cultural hub of the arts. **By attending the IB Summer Academy, you are not only signing up for an extensive course in IB preparation but also a chance to experience a truly remarkable city in its prime season.**

TRIP TO SALZBURG AND ITS SURROUNDING MOUNTAINS AND LAKES

An optional three-day trip to Salzburg will be offered to the students. Salzburg is not only admired for its baroque architecture, it also enjoys a special fame in the world of music as the birthplace of the 18th century composer **Wolfgang Amadeus Mozart**. Students will be taken around this magnificent city and given the opportunity to visit Mozart's birthplace, the old historical Hohensalzburg Castle, Salzburg Cathedral, the Salzburg's Festival Theaters, the old town and the Schloss Mirabell and Gardens. In the evenings, students will stay in **Sankt Gilgen**, which is one of the picturesque villages by the marvelous **Austrian lake Wolfgangsee**, located in the "Salzkammergut region" near Salzburg. After the visits of the cultural highlights in Salzburg, the students will be offered the chance to experience the unlimited **water sports and relax by the lakeside** in Sankt Gilgen before returning to Vienna to continue their second week of study preparation.

VIENNA SPRING/SUMMER

Vienna is one of the most historic and charming cities in the world, renowned for its **high quality of life** and **friendly atmosphere**.

It is also one of the easiest cities to travel around, due to its **expansive public transport system**, making it attractive to young people, who wish to explore the city and experience its unique culture in any of the cafés and restaurants around the city center. There are numerous large parks where students can relax and unwind with friends in the sunshine.

Vienna is a **safe and secure environment** for young people during the daytime and the evenings, with well-lit areas and reliable public transport. **Our students feel safe and welcome** in this modern and traditional city.
